Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 29 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry and mostly clear overnight, turning cloudier Bank Holiday Monday.

This Evening and Tonight:
Clear skies remain in the west, as cloud returns during the evening and thickens for eastern areas overnight, perhaps with the odd spot of drizzle. Temperatures holding up under the cloud cover. Minimum temperature 7 deg C (45 deg F).

Monday:
Largely cloudy and mostly dry, however, with some light rain or drizzle under the thickest and lowest clouds. Temperatures near normal but feeling pleasant where any sunshine does develop. Maximum temperature 21 deg C (70 deg F).

Outlook for Tuesday to Thursday:
Variable cloud throughout the period but remaining dry and bright with quite a few sunny spells. Feeling pleasant in the sunshine, but cool under the cloud.
